

# Splash Club All-Academic Award Program

Splash Club encourages success both in and out of the pool. The Splash Club All-Academic Award Program recognizes both academic and athletic excellence.

## Eligibility

All Splash Club team members are eligible to earn All-Academic honors. To earn this designation, swimmers must meet certain minimum academic and swimming standards as described below. There are two All-Academic Age Categories, each with a different number of minimum points. To be eligible for an All-Academic Award, a swimmer's combined Academic Score plus Swimming Score must be at least:

All-Academic Age Category	Minimum Number of Points
14 & Under Swimmers*	45 points
15 & Over Swimmers	50 points

\*To be eligible for the 14 & Under All-Academic Age Category: A swimmer must have:

- Competed at least once during the Swim Year as a 14 & Under swimmer; and
- That swim must earn points that count towards the Swim Score

Sample calculations are attached for reference.

## Eligibility Period

All-Academic Team honors are awarded on a yearly basis in August. Academic grades and swim performances achieved during the current Swim Year (August 1 through July 31) will be used to determine eligibility.

## Application, Report Cards & Due Date

Applications must be submitted by July 31 (the Due Date). All Report Cards for the Swim Year must be submitted with the Application. Late Applications and/or required attachments will not be accepted. **Please submit Applications and ALL required attachments by the Due Date to:**

**Electronically:**  
jen.e.williams@p66.com

**OR Hardcopy:**  
To Swimmer's Coach

## Academic Score

In order to apply, Swimmers must earn a minimum non-weighted grade point average (GPA) for the current Swim Year (August 1 to July 31) using their school's chosen grade point scale. Cumulative GPAs will not be considered. Applicants must submit all Report Cards for the Swim Year with their Application. To calculate a swimmer's Academic Score, his/her eligible GPA is determined using a **multiplier of 10**.

Because grade reports for home-schooled students are not required by the State of Oklahoma, these students may not necessarily have grade reports to submit with their Application. In lieu of a grade report, parents may provide a written statement attesting to a grade/GPA approximation for their students.

Minimum GPA for the Swim Year	
<b>Middle &amp; High School</b>	3.0 GPA on a 4.0 scale (non-weighted)
<b>Elementary School</b>	Only core subjects such as Math, Language Arts, Social Studies, and Science will be considered. The grade Satisfactory (S) is equivalent to 4.0.

## Swimming Score

Swimmers may use **up to 5 Qualifying Swims** from the current Swim Year on the application. Although the same stroke may be used multiple times on the Application, the same event may not be used more than once (Ex: 100 yd Backstroke and 100m Backstroke cannot both be used.)

A Qualifying Swim is one that: 1) was performed in Short Course Yards (SCY) or Long Course Meters (LCM); and 2) achieved a time on the current USA Swimming **single age** National Age Group Motivational Times (NAGM Times) chart, as updated (see attached). Short Course Meters (SCM) times will not be considered.

The applicable age on the single age NAGM Times chart will be determined by the swimmer's age at the time the swim occurred. As such, it is possible for a swimmer to have Qualifying Swims from two different ages during a Swim Year. USA Swimming does not publish NAGM Times for swimmers under Age 10; as such, Applicants under Age 10 should use the NAGM Times for 10-year old swimmers.

Relays will not be considered for purposes of this Application. However, a swimmer may use his/her relay split if he/she led off the relay and the relay leg is an event referenced on the NAGM Times chart for the swimmer's specific age.

Points are awarded using the following point scale. The total sum of points will be the swimmer's **Swimming Score**.

Time Standard	AAAA	AAA	AA	A	BB	B
Points	6	5	4	3	2	1

## Appendix 1 – How to Find Your Swimmer’s Best Times in Team Unify

To find your swimmer’s best times, log in to your Team Unify account, then follow the steps shown in Figure 1 on the following page. Make sure to attach your printout to the Application. (You can also use the OnDeck app to find your swimmer’s best times.)

1. Select **Events & Competition**.
2. Select **Meet Results**.
3. Click the **My Results** tab.
4. From the **Standards** dropdown list, select **2024: 21-24 NatAG Motivs**. This automatically filters results to automatically show NAGM single age times.
5. Select “**All**” for **Course** (this will include LCM, SCM & SCY times). For the **Stroke**, you can search by an individual stroke or all strokes.
6. Select “**All**” for **Top Times**.
7. Provide the date range as **08/01/20\*\* to 07/31/20\*\***. (For the years, use the year range covered for the applicable Swim Year.)
8. Click **Search**.
9. Select **Printer Friendly**, then click the **Print** link. Attach the printout to the Application.

## Appendix 2 – Determining Achievement Level

The instructions shown in Appendix 1 will result in times that meet NAGM Times. Use the data in the columns circled in red (Figure 1) and the attached single age NAGM Times chart to determine applicable achievement levels (i.e., B through AAAA). The red-circled info will also need to be included in the Application. (Do not refer to data in the X’d columns because these do not apply for All-Academic Award purposes.) Note that there are separate NAGM Time charts for SCY and LCM. Make sure to refer to the correct chart when determining achievement level. Short Course Meters (SCM) times may not be used.

**Note:** Up to 5 swims that have the highest point value of all the swimmer’s Swim Year events may be used on the application. The same **stroke** may be used multiple times on the Application; however, the same **event** may not be used more than once.

For example, a swimmer can only list one 200 IM swim for points on the Application regardless whether it was competed SCY or LCM. Therefore, a swimmer cannot list a second 200 SCY or LCM swim, even though the second swim may have achieved an NAGM Time.

## Appendix 3 - Sample Calculations

### Sample Calculation for Swimmer A: Female Swimmer; date of birth 8/15/2005; Age 17

Academic Score:

$$\text{GPA } 4.0 \times 10 = \boxed{40}$$

Swim Score:

Swims	Event	Course	Time	Date Achieved	Age on Date Achieved	Time Standard	Points
Swim 1	100 Back	<input checked="" type="checkbox"/> SCY <input type="checkbox"/> LCM	1:14.76	12/14/2022	17	B	1
Swim 2	400 IM	<input type="checkbox"/> SCY <input checked="" type="checkbox"/> LCM	5:35.30	6/5/2023	17	AA	4
<b>TOTAL SWIM SCORE</b> (Add Points for All Swims)							<b>5</b>

Swim Score 5 + Academic Score 40 = Total Score **45\***  
Minimum of 50 pts required

\*Because the swimmer is in the 15 & Over category for the swim year, 50 points are required to be eligible for All-Academic Award. The swimmer is not eligible because she only scored 45 points

---

### Sample Calculation for Swimmer B: Female Swimmer; date of birth 2/1/2008; Ages 14 & 15

Academic Score:

$$\text{GPA } 4.0 \times 10 = \boxed{40}$$

Swim Score:

Swims	Event	Course	Time	Date Achieved	Age on Date Achieved	Time Standard	Points
Swim 1	100 Back	<input checked="" type="checkbox"/> SCY <input type="checkbox"/> LCM	1:03.01	12/14/2022	14*	AA	4
Swim 2	100 Breast	<input type="checkbox"/> SCY <input checked="" type="checkbox"/> LCM	1:22.43	6/5/2023	15	AA	4
<b>TOTAL SWIM SCORE</b> (Add Points for All Swims)							<b>8</b>

Swim Score 8 + Academic Score 40 = Total Score **48\***  
Minimum of 45 pts required

\*Because the swimmer had at least one swim as a 14 year old during the swim year, she is in the 14 & Under category (only 45 points are required for this category). The swimmer is eligible for the award because she scored 48 points.

---

### Sample Calculation for Swimmer C: Male Swimmer; date of birth 6/2/2010; Ages 12 & 13

Academic Score:

$$\text{GPA } 3.5 \times 10 = \boxed{35}$$

**Swim Score:**

Swims	Event	Course	Time	Date Achieved	Age on Date Achieved	Time Standard	Points
Swim 1	200 IM	<input checked="" type="checkbox"/> SCY <input type="checkbox"/> LCM	2:14.29	12/14/2022	12	AAA	5
Swim 2	100 Back	<input checked="" type="checkbox"/> SCY <input type="checkbox"/> LCM	1:02.00	12/14/2022	12	AAA	5
Swim 3	100 Breast	<input checked="" type="checkbox"/> SCY <input type="checkbox"/> LCM	1:12.17	2/21/2023	12	AA	4
Swim 4	50 Free	<input type="checkbox"/> SCY <input checked="" type="checkbox"/> LCM	33.50	6/5/2023	13	B	1
Swim 5	200 Back	<input type="checkbox"/> SCY <input checked="" type="checkbox"/> LCM	2:50.16	6/5/2023	13	BB	2
<b>TOTAL SWIM SCORE</b> (Add Points for All Swims)							<b>17</b>

Swim Score 17 + Academic Score 35 = Total Score **52\***  
*Minimum of 45 pts required*

\*Because the swimmer is in the 14 & Under category for the swim year, only 45 points are required to be eligible for All-Academic Award. The swimmer is eligible for the award because he scored 48 points.

# APPLICATION | Splash Club All-Academic Award Program

To be considered for the All-Academic Award, fill out the Application and provide all Report Cards for the Swim Year. Report Cards must be submitted with the Application to be considered for the All-Academic Award. Applications may be submitted electronically to cenglehart@splashclub-ok.com or by hardcopy to your swimmer's coach. **Deadline to submit is July 31. No late applications will be accepted.** Awards presented at Annual Banquet.

Swimmer Name: \_\_\_\_\_ Training Group: \_\_\_\_\_

Birthdate: \_\_\_\_\_ Age Category for the Swim Year:  14 & Under\*  15 & Over

School Name: \_\_\_\_\_ Grade: \_\_\_\_\_

Name of Person Completing the Application: \_\_\_\_\_

\*Swimmer must have at least one swim that earns points during the swim year as a 14 year old to be eligible for the All-Academic Award in the 14 & Under category.

**SWIMMING SCORE:** Applicants may use up to **5 Qualifying Swims** achieved during the Swim Year (Aug 1 to July 31 of the current year). A Qualifying Swim is one that: 1) was performed in Short Course Yards or Long Course Meters only; and 2) achieved a time on the attached USA Swimming's **age-specific** National Age Group Motivational Times chart, as updated. The applicable age on the National Age Group Motivational Times chart will be determined by the swimmer's age at the time the swim occurred. Applicable NAGM Times charts can be found at: [bit.ly/nagm-singleage](http://bit.ly/nagm-singleage)

Swim points are awarded utilizing the following point scale. The total sum of points will be the swimmer's **Swimming Score**.

Time Standard	AAAA	AAA	AA	A	BB	B
Points	6	5	4	3	2	1

SCY = Short Course Yards

LCM = Long Course Meters

Swims	Event	Course	Time	Date Achieved	Age on Date Achieved	Time Standard	Points
Example:	100 Backstroke	<input checked="" type="checkbox"/> SCY <input type="checkbox"/> LCM	50:96	02/22/2021	18	AAA	5
Swim 1		<input type="checkbox"/> SCY <input type="checkbox"/> LCM					
Swim 2		<input type="checkbox"/> SCY <input type="checkbox"/> LCM					
Swim 3		<input type="checkbox"/> SCY <input type="checkbox"/> LCM					
Swim 4		<input type="checkbox"/> SCY <input type="checkbox"/> LCM					
Swim 5		<input type="checkbox"/> SCY <input type="checkbox"/> LCM					
<input type="checkbox"/> Attach swimmer's best times printout from Team Unify - <b>REQUIRED</b>					<b>TOTAL SWIMMING SCORE</b>	(Add Points for All Swims)	

**ACADEMIC SCORE:** Swimmers must earn a minimum non-weighted grade point average (GPA) for the applicable school year using their school's grade point scale as follows. (Cumulative GPA is not considered.) Applicants must submit all applicable Report Cards for the Swim Year with their Application.

<b>Middle &amp; High School</b>	3.0 GPA on a 4.0 scale (non-weighted)
<b>Elementary School</b>	Students must earn a minimum 3.0 GPA on a 4.0 scale. Only core subjects such as Math, Language Arts, Social Studies & Science will be considered. The grade Satisfactory (S) is equivalent to 4.0.

To Calculate Academic Score:

GPA \_\_\_\_\_ x 10 = \_\_\_\_\_

## Total Score

Swimming Score \_\_\_\_\_ + Academic Score \_\_\_\_\_ = **Total Score** \_\_\_\_\_

14 & Under: Minimum of **45 points** required  
15 & Over: Minimum of **50 pts** required
